

## Cornerstone Challenge 2011

**Join our dog  
walking team**

We are looking for four legged friends (and their human companions!) to join our dog walking team. The team will take part in the Cornerstone Challenge which runs from 1st to 30th September this year. If you are out walking the dog twice a day anyway why not join our team and contribute your miles to the Waggy Walks total? There will be a special Top Dog award for the owner and dog who walked the furthest in the 30 days.

### Interested?

Thank you!
